

RAZAYN

Artist · Writer · Producer

Spirit. Strength. Sound — Unified.

ABOUT ME

Before I became an artist, I was a writer. Everything started on paper — my emotions, battles, lessons, love, and identity. Writing shaped me. Music transformed me. Technology became the bridge. My pen became sound. My truth became frequency.

PAPA RIZZI — PRODUCER PERSONA

Papa Rizzi is the fire behind my cinematic sound — the voltage, the swagger, the pulse. Together we build everything under my independent imprint: RAZAYN Music.

MY TWO MUSICAL LANES

2■■ SHEPHERD RECORDS I Am the Book Elevation Mode Man in Action Stay Kind Funky Singer I believe every person is born a Shepherd — some just haven't claimed it yet.
